

# WHEN SECRET DONORS BUY OUR ELECTIONS, WE ALL LOSE.

In Iowa, secret  
donors have already  
spent **MILLIONS**  
trying to buy our  
next Senator.

The candidates  
could end this  
with one simple  
agreement.

## THE COUNTERPAC PLEDGE:

- Candidates reject all secret money spent on their behalf.
- If any group spends secret money on a candidate's behalf, that candidate will donate from their own campaign to a charity of their opponent's choice.
- CounterPAC will do what it takes to make sure the candidates play by these rules.
