

WHEN SECRET DONORS BUY OUR ELECTIONS, WE ALL LOSE.

In Colorado, secret donors have already spent **MILLIONS** trying to buy our next Representative.

The candidates could end this with one simple agreement.

THE COUNTERPAC PLEDGE:

- Candidates reject all secret money spent on their behalf.
- If any group spends secret money on a candidate's behalf, that candidate will donate from their own campaign to a charity of their opponent's choice.
- CounterPAC will do what it takes to make sure the candidates play by these rules.
